ICON

- Atomy is a global online shopping mall for members only. It is originated from South Korea in 2009, mainly owned 62% by Kolmar(a world class OEM of major international brands) and 38% by Korea Atomic Energy Research Institute(a world class R&D government-owned institute). Currently, it has 500 over products in personal care, beauty, health supplement, food, household category and etc. The number of products, country involved and global membership of Atomy are growing fast. To register online as a member of Atomy is free and global; One only needs to be over 18 years old and sponsored by an Atomy member(we'll do the free member registration for you).
- Atomy's strong growth and success are due to, among other things,
- Its unique Product Philosophy: 'To offer members with High Quality products that are Cheaper than its competitors'
- Atomy's overall oriental culture and professionalism have made the company lean, disciplined, honest and humane(Truly members' wellbeing and success come first)
- Atomy has an excellent Affiliate* combined with Networking Marketing program with simple and lucrative reward system that keeps churning out successful entrepreneurs worldwide.
- Atomy is ranked 10th in the industry worldwide in just short 12 years; It's unstoppable!
