ICON

Nor Azila is a detail-oriented Director & CFO at AiBots MY and a seasoned Legal Advisor with profound expertise in managing social impact and monitoring economic output, particularly in sustainable consumption and production. With a robust academic foundation comprising a Bachelor's Degree in Law and an MBA in Finance, she excels in strategic planning, risk management, financial analysis, and legal counsel. Nor Azila is committed to promoting a better quality of life and work-life balance for her staff. She is a dedicated Global GPM ambassador and holds a Professional Certificate in Applied Sustainable Practice from GPM Global, underscoring her commitment to financial success and social responsibility. Additionally, she leverages her skills as a sustainability consultant and data analytics consultant to drive impactful and innovative solutions in her field.
