School of Entrepreneurship

Yang Suselawati Zakaria is an accomplished professional with extensive experience in business development, landscape architecture, and TVET training. She holds an Executive Master in Applied Sustainable Practice from Think Plus Academy & Inst. of Business Excellence, a Bachelor's Degree in Landscape Architecture from Trisakti University, and a Diploma in Landscape Design from Institut Teknologi MARA. Currently serving as a TVET Business Consultant at Hustlerpreneur Academy and a Business Development Consultant at Byti Eco Food Industry, Yang has demonstrated expertise in sustainable project management, strategic development for SLDN programs, and nurturing entrepreneurs. Her career spans over two decades, including roles as a Resident Landscape Architect at ECODESIGN SDN. BHD, Founder of Indah Aroma Enterprise, and Landscape Architect at Putrajaya Holdings. She is proficient in TVET training, strategic planning, and solution implementation via industrial base skills training. Fluent in Bahasa Malaysia, English, Mandarin, and Indonesian, Yang is also certified in Applied Sustainable Practice, Playground Safety, HRDC Training, and Coaching. She is dedicated to fostering relationships with industry leaders and expanding market positioning through innovative business strategies. Yang has successfully managed business plan development, facilitated market research, and sustained customer bases by formulating effective brand strategies. Her ability to assess company financials and provide long-term recommendations has significantly contributed to the growth and success of the organizations she has been part of. With a keen focus on applied sustainable practices, Yang continues to lead and inspire in her field.
