ICON

Ms. Mary Wong, is a true luminary in the beauty and wellness industry. Her journey is one of remarkable expertise and unwavering commitment. Here's an overview of her illustrious career: With an impressive 18 years of experience in micro-traumatic treatment, Ms. Mary Wong brings a wealth of knowledge to our company. Her deep understanding of this field is a testament to her dedication to beauty and healthcare. What sets Ms. Wong apart is her 25 years of experience in marketing techniques within the beauty industry. Her marketing prowess has been instrumental in shaping the success of various beauty ventures. In 2018, Ms. Wong assumed the role of Creative and Technical Director at Mabeauty, where her innovative thinking and technical expertise have been at the forefront of the company's progress. Not stopping there, in the same year, she founded Mabeaute Group and took on the mantle of Chief Director. Her leadership has been instrumental in driving the company's growth to new heights. Ms. Wong's commitment to education and training is also evident as she founded Solove Skill Future Training Center in 2018, contributing significantly to the development of professionals in the field. Her contributions haven't gone unnoticed. Since 2019, Ms. Mary Wong has been recognized with the "100 Influential Women Award," showcasing her remarkable influence and leadership both in the industry and society at large. Furthermore, she has consistently received the "Mabeaute Super Brand Award" since 2019, demonstrating the high regard in which her brand is held. Additionally, since 2019, she has been honored with the title of "The Best Natural Beauty Care Provider," underscoring her commitment to promoting natural and holistic beauty care. Ms. Mary Wong's journey is a testament to her dedication and leadership in the beauty and wellness sector. She is a driving force behind our company's success, bringing unparalleled knowledge and innovation to the industry.
